■ INTRODUCTION

Beijing Institute of Technology (BIT) offers annual English-taught winter and summer programs for international students and scholars. Leveraging Beijing's unique position as China's capital, this program blends Chinese language learning with immersive cultural experiences, uniting the city's rich history and vibrant modernity. Each year, over 500 participants from more than 30 countries join to gain global perspectives and hands-on experience. In Winter 2026, BIT will launch a flexible hybrid program—online and on-campus—focused on Chinese language and cultural learning. Designed to be interactive and practical, it welcomes learners worldwide. Discover China. Advance your skills. Join BIT in 2026!

■ Key Benefits

- ☆ **Diversity:** Immerse yourself in a highly international environment and expand cross-cultural communication opportunities.
- ☆ **Language & Professional Development:** Acquire foundational knowledge of Chinese for daily and academic communication.
- ☆ **Cultural Immersion:** Participate in field trips to cultural heritage sites and engage deeply with Chinese folk culture.
