BIT ZHUHAI

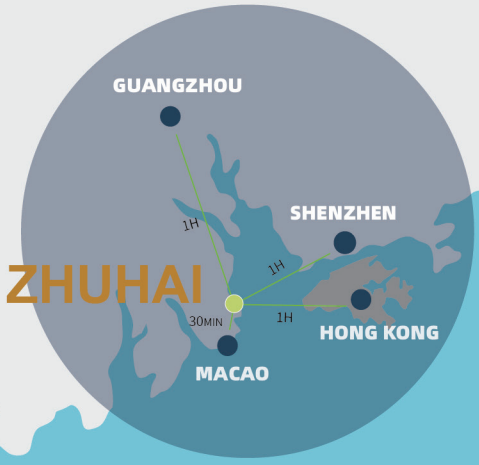

Founded in 2001, Beijing Institute of Technology, Zhuhai (BIT Zhuhai) is a high-level international campus established in the Guangdong-Hong Kong-Macao Greater Bay Area by Beijing Institute of Technology (BIT). Located in the "Golden Inner Bay" and at the heart of the Zhuhai National Hi-Tech Zone, the campus enjoys a prime position with convenient access to Guangzhou, Shenzhen, Hong Kong, and Macao, offering a beautiful and inspiring environment for learning. Guided by its motto "Where intelligence converges, diversity harmonizes, and excellence blooms", BIT Zhuhai has been building a distinctive international education system that reflects the unique character of the Greater Bay Area and the reputation of the "Study in BIT" brand. Today, BIT (Beijing and Zhuhai campuses) is proud to host a vibrant student body that includes more than 5,000 international students from 148 countries.

PRE-UNIVERSITY PROGRAM INTRODUCTION

The Pre-University Program of Beijing Institute of Technology (BIT) is a preparatory education program for undergraduate studies open to international students. Students can choose a Chinese-taught or English-taught program based on the further undergraduate program requirements. This program aims to help international students enhance their academic foundations and language proficiency through one to two semesters of systematic study in order to meet the requirements of Beijing Institute of Technology undergraduate admission. Upon successful completion of the program at the BIT Zhuhai campus, students will be awarded a certificate of completion issued by BIT Zhuhai.

STRENGTHS:

- Customized Curriculum System
- CSCA Exam Guidance
- Early Exposure to University Lectures
- Top-level Faculty and Resources
- Diverse International Community
- A Clear Pathway to Undergraduate Application

C.Supporting materials for applicants under 18 (Download the Application Materials for Students under 18 (Zhuhai Campus) from https://gsc.bitzh.edu.cn/→ Download → Application Documents, and upload the completed materials as instructed);

CHINESE LANGUAGE PROGRAM INTRODUCTION

The Chinese Language Program is committed to building a professional and efficient learning platform for international students worldwide who aspire to learn Chinese and gain an in-depth understanding of Chinese culture. Through systematic language teaching and immersive cultural experiences, it helps students overcome language barriers, enhance their comprehensive Chinese application skills, and at the same time deepen their understanding of China's history, culture, and society. It aims to cultivate international talents with cross-cultural communication capabilities, laying a solid foundation for cultural exchange and cooperation between China and other countries.

STRENGTHS

- Cross-cultural Communication Skills Enhancement
- Flexible Academic Semester Options--one semester/one year
- Personalized Instruction Matched to All Chinese Proficiency Levels
- Omni-directional "Culture + Language" Scenarios
- Comprehensive HSK Preparation
- Top-level Faculty and Resources
- Diverse International Community
